

CRC (Class-Responsibility-Collaboration) cards

- Represented classes on cards
- Rather than indicating attributes and methods on the cards they write *responsibilities*
- high level description of the purpose of the class
- *collaborators*-with each responsibility you indicate which other classes you need to work with to fulfill it.

CRC (Class-Responsibility-Collaboration) cards

On the index card, record the following information:-

- the name of the class, at the top
- the responsibilities of the class, on the left-hand side
- the collaborators of the class, which help to carry out each responsibility, on the right-hand side of the card
